

Town of Weston Field Usage

The Town of Weston maintains fields that are for the use and enjoyment of Weston residents and not to be rented out. For the baseball fields (Bisceglie, Revson, Coley, etc) the policy as set by the Board of Education and Parks and Rec is that private / outside team may use the fields for practice and home games if a majority of the team is comprised of Weston residents and the fields are not needed by Weston teams. For questions with this guideline, please reach out to Weston Parks and Rec or Department of Education.
